

What is ArborMAX?

ArborMAX is insurance created for the tree care industry.

It covers a variety of general and specific exposures within the tree care industry.

The last thing you should do is settle for inadequate coverage.

As your independent ArborMAX insurance representative, Ross is able to offer you the right coverage that is defined by your individual business needs.

What does it cover?

ArborMAX insurance covers a variety of general exposures such as:

- Commercial General Liability
- Commercial Automobile
- Inland Marine
- Crime
- Property
- Umbrella
- Workers' Compensation

ArborMAX insurance also covers tree care exposures such as:

- Arborist & Landscape Professional Services (Errors & Omissions)
- Pesticide & Herbicide Applicator
- Tools & Equipment
- Per Project Aggregate
- Blanket Additional Insureds (including Primary Wording)

What about large scale projects?

For larger tree care projects through municipalities, ArborMAX offers special commercial endorsements, bonding, and up to \$5,000,000 in umbrella coverages.

Don't leave your tree care business open to lawsuits, let us help you build a loss control program.

Ross Luginbuhl can provide you with the right coverage and loss prevention tools you need to succeed.
